

Dear Friends and Neighbors,

The Mary J Barnett Memorial Library has always been more than just books — it's a gathering space, a learning hub, and a cornerstone of our community. From children's programs and summer reading to special events and expanded resources, your library continues to grow because of the support of people like you.

The Friends of the Guthrie Center Library invite you to become a member and help us continue enriching our community. For just \$25 in annual dues, your membership directly supports:

- Educational programs for all ages
- Special events and community outreach
- New books, materials, and resources
- Improvements that make our library welcoming and vibrant

Every membership makes a difference, and together, we can ensure our library remains a thriving space for generations to come.

Joining is easy, and your support truly matters. Thank you for believing in the power of libraries

Sincerely,
Diane Flanery
President, Friends of the Guthrie Center Library
